FAQs

Can new students start in the middle of the semester?

Absolutely! New students are able to start taking lessons any time during the year. Students enrolling mid-semester will be prorated based on the number of lessons already passed.

Can I schedule bi-weekly lessons?

In order to learn an instrument, students need consistent, weekly instruction. It is important for students to attend lessons weekly to ensure that they are building proper technique, gain consistent feedback from their teacher, and so that the teacher can regularly assess student's progress.

Additionally, it is almost impossible to fill the schedule gap caused by bi-weekly lessons. Because of this, we will no longer schedule bi-weekly lessons effective September 1, 2020.

Students that are concerned with the price associated with weekly lessons are welcome to apply for Financial Aid. Financial Aid information can be found on our website at www.hecmusic.org/financial-aid

Will I still be able to cancel lessons?

Our 24-hour cancellation policy still applies. If students cancel lessons 24 hours or more in advance, they will receive a makeup lesson for that time. Makeup lessons will be scheduled at a mutually convenient time during the semester, or during the makeup lesson week at the end of the semester.

Lessons cancelled within 24 hours of the lesson will **not** be eligible for a makeup.

What happens if the teacher needs to cancel a lesson?

If a teacher cancels, we will schedule a makeup lesson at a mutually convenient time mid-semester, or during the makeup lesson week at the end of the semester.

What about cancellations due to holidays?

HMC is closed on holidays that fall mid-semester such as Thanksgiving, Memorial Day, and the 4th of July. If your scheduled lesson falls on a closure date, we will schedule a makeup lesson during the semester at a mutually convenient time, or during the makeup week at the end of the semester.

Is the only time available to makeup a missed lesson at the end of the semester?

Makeup lessons can also be schedule mid-semester at a mutually convenient time. All makeup lessons will be scheduled at the reception desk.

Am I able to withdraw from lessons mid-semester?

We believe that students should take lessons for a full semester to decide whether or not music is right for them. If a student genuinely does not like the instrument they have started, we are happy to set them up with lessons on another instrument.

Withdrawals from lessons altogether will be determined on a case by case basis.

Is the Financial Aid process different?

Our Financial Aid application process has not changed. Financial Aid information can be found on our website at www.hecmusic.org/financial-aid

Is there still a \$1 fee for credit card payments?

There is no longer a \$1 fee for credit card payments.
